

ST. MARY OF THE IMMACULATE CONCEPTION

125th YEAR

WOOSTER
OHIO

1971

THE CHANCERY DIOCESE OF CLEVELAND

To the Reverend Pastor and Associate Pastors, the
Devoted Sisters and all the Parishioners of Saint Mary
Parish in Wooster, Ohio:

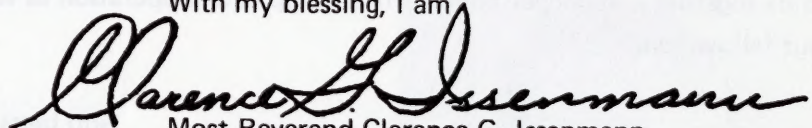

It is a pleasure for me to congratulate the members
of Saint Mary Immaculate Conception Parish, Wooster,
on their observance of the 125th anniversary of the
founding of their parish.

The years bring change, and even rapid change
following Vatican Council II. The Faith professed by
the early Catholics in Wayne County is the Faith pro-
fessed by the present generation.

Not only have you maintained a parish in the Wooster area since 1846, but for 106 years you have operated a
school to instruct the youth and form them in the likeness of Christ. Tested by a disastrous fire in 1913, the
parishioners rebuilt in the present location and 55 years ago dedicated their beautiful Rosary Church to the worship
of God. You have recently expanded and modernized your school and have just finished the exterior work on
your church.

In this time of crises, I am sure you of today will again muster the strength to go forward as God's beloved
people and continue to bring God's blessings upon yourselves, your children and your community.

With my blessing, I am

Most Reverend Clarence G. Issenmann

Bishop of Cleveland

Reverend Thomas F. Sullivan, Pastor
Saint Mary Parish
527 Beall Avenue — P.O. Box 85
Wooster, Ohio 44691

OUR PASTOR'S MESSAGE

Dear Parishioners,

Many of you remember the Year Book of the school you graduated from. I am sure you pick it up at least occasionally and recall fond memories.

As the Church in this post-Vatican II period strives ever harder to build community among the People of God, the Parish Council and I are happy that we have been able to put together this Pictorial Directory — the Parish Year Book.

For years to come this booklet will be fingered by many as we work, meet, and pray together as a parish community.

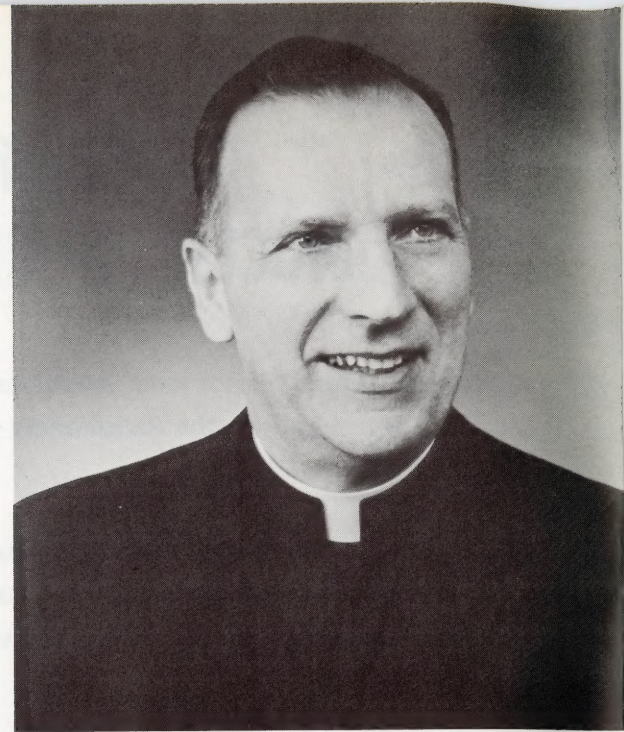

We are mindful too of the 125 years that a Catholic Community has assembled under the patronage of St. Mary of the Immaculate Conception to worship Almighty God and "to hear and do" the Gospel of Christ in the Wooster area. As God has so abundantly blessed our predecessors in the Faith, may we of these times continue to enjoy His favor and emulate their concern for the well-being of immortal souls.

I thank all who worked hard to publish this booklet and those who took the time "to pose". I pray that it will bind us together in a deeper bond of friendship and cooperation as we busy ourselves with the concerns of God and of our fellowmen.

God bless you,

A handwritten signature in cursive script that reads "Rev. Thomas F. Sullivan". The signature is written in dark ink and is positioned above the printed name.

A PARISH IS FOR DOING

Fellow Christians:

This directory comes to you through the wisdom of your Pastor and Parish Council, and the participation and work of many of you. It is a fitting memorial of our 125th Anniversary; and to the Faith, foresight and sacrifices of all who, over the years, have given glory to God through the efforts which produced all that we see about us today.

But a Parish is For Doing — not for looking at. And not only for doing those things which are essentially Liturgical, but also for doing those things which are essential to a God-oriented dynamic culture and society.

As we go about our busy daily life, it is easy to pass by and not see, the lively broad stream of Catholic Action activity in our parish. And however good it is, it is less than it could be — if more of us were an active part of it. We think that you will see more clearly through this book, the broad spectrum of religious, educational, and social and cultural pursuits going on at St. Mary's.

But productive, satisfying involvement requires that we make the effort to get into things, to meet others, and to commit some fair and reasonable portion of our time to our parish and its activity. We believe that the Directory will help all to become better acquainted with each other, and to participate more broadly or fully according to your needs, desires and abilities.

The parish is a natural center for the generation and continued development of the kind of interpersonal relations and activities which the world so badly needs: for personal and public peace, and for the progress of people towards universal dignity.

And yet, we have scarcely tapped its potential for good organized action. We can make a much fuller use of our facilities and our liturgy and educational opportunities. And if we would keep faith with our forebears, ourselves, our posterity, our church and our God, it seems that we should begin now, in a way as never before, to more fully use, and draw from the totality that is St. Mary's Parish.

We sincerely thank all who in any way have helped to make this book possible. We regret and apologize for any oversights, incompleteness, or errors; we were not wise enough or skilled enough to avoid them; and we ask those affected to forgive us.

We hope you like your book. We hope you will use it to help all of us, individually and collectively, to grow ever closer to Mary and Her Son.

The Parish Relations Commission
of your Parish Council.

THE PTU. The Parents — Teachers Union is the necessary bridge between parents and teachers. It is the essential tool for getting the best possible relationship between parents, teachers and students; it is the key to the best possible programs and activities for, or in support of your children. All parents are important to its success; all are welcomed and cordially invited. Call Carl "Joe" Grassman, PTU Vice President, and your representative on the Parish Relations Commission, or Mrs. Ray Latham, President.

CONFRATERNITY OF CHRISTIAN DOCTRINE

CCD, as it is commonly called, is the necessary parish religious education program for our youth attending Public Schools; for pre-schoolers; and for exceptional children.

A competent faculty of adult volunteers, under guidance of the clergy, conduct an interesting program each Sunday morning. Through it our youth learn to know God and His teaching better and how to apply this knowledge more effectively in daily life.

Youth has a need, a right and a duty to grow in their knowledge of Christian Doctrine. And adults who are responsible for the upbringing of youth have the duty to see that they have, and use, an opportunity to do so. St. Mary's CCD is an effective, essential answer to this need, right, and duty.

We are proud of the support given, and the participation in, our CCD program. We welcome and invite all. Call Barb Jeffers (Mrs. Daniel), CCD-Hi Principal; or respective principals for other levels.

THE LEGION OF MARY

The Legion of Mary is a spiritual organization founded in Dublin, Ireland on September 7, 1921. St. Mary's Praesidium was started on March 5, 1957.

The object of the Legion of Mary is the honor and glory of God and personal satisfaction of its members through prayer and apostolic work in the parish. Under God, the Legion is built in devotion to Mary.

There are two types of membership — active and auxiliary. The auxiliary membership consists of those who are willing to undertake the daily recitation of the prayers of the Legion. Active members perform two hours of apostolic work each week in addition to attending the weekly meetings on Wednesday night in the rectory.

Father Thomas Sullivan is spiritual director.

ST. FRANCIS XAVIER MISSION CIRCLES OF ST. MARY'S

With over 150 of our women regularly and actively involved, the Mission Circles of St. Mary's take a back seat to no one in exemplifying love of God through the love of, and service to, others — particularly those people throughout the world who are the special concern of the Missionary Activity of Holy Mother Church and Her Founder.

In the quarter century since they began at St. Mary's the full value of their personal care and attention to individual missionaries or mission institutions and their people can only be called tremendous; and in totality it is known only to God. But through their pattern of Prayer — Study — Sacrifice, in conjunction with their Deanery, Diocesan and National Association affiliates, the women of St. Mary's Mission Circles are truly aiding the Church to fulfill its perpetually Missionary character and command.

People need, today more than ever, the opportunity to give of themselves, to and for others, in truly worthwhile endeavor. The Mission Circles provide this, and the personal satisfaction that follows. Who will serve?

For additional information call: Mrs. Jos. Murr. Miss Mary Herpel, Mrs. Wm. Jilek, Mrs. Howard Freeman.
